

**IN THE DRAWINGS**

A complete set of drawings is supplied herewith, including Replacement Sheet 3.

The drawings have been objected to because "port identifier" as per claims 1, 12, and 23 are allegedly not shown in the drawings. Claims 12, 18, 22-24, and 28 have been amended to recite a "port number." Applicant does not concede that 'port identifier' is not shown in the drawings; however, to facilitate prosecution, the above-mentioned claims have been amended. Further, block 320 in Fig. 3 has been amended to "DETERMINE PORT NUMBER IN USE BY THE APPLICATION."
